

KNAV ANNOUNCES NEW OFFICE IN MUMBAI TO ACCOMMODATE GROWTH AND EXPANDED SERVICES

KNAV is pleased to announce that it will be opening its new office in the nationally recognized Bandra Kurla Complex (BKC). The new office will be located at 201/202, Naman Centre, C-31, G Block, Bandra Kurla Complex, Bandra East, Mumbai.

The new location is larger than the firm's existing Andheri office and will allow the firm to accommodate growth and the expansion of its services. The fully operational office was formally opened on 28th November, 2018.

"Our firm has been in Mumbai for 20 years and we are truly appreciative of the opportunities we have for continued growth of our client relationships and the expansion of our business services," commented Khozema Anajwalla, Founding Partner – KNAV. He added "A key driver of this move has been KNAV's strong performance in recent years as an advisor to some of the region's most successful businesses. As we look towards our future ambitions to expand our regional teams, we also look at setting our footprint and client offerings in the western region. Bandra Kurla Complex is one of the most vibrant business districts of Mumbai with technology, consulting, banking, co-working, retail and hospitality companies. If we add the KNAV accounting, auditing and tax and risk advisory bouquet it completes the tenant mix of this central business district. We look forward to being part of BKC in our new office location and having the space and visibility to attract and retain additional team members in order to provide exceptional service."
